## IQAC, IIC & ED CELL EVENT ORGANISED REPORT (2023-2024)

<b>Name of the club</b>	IQAC, IIC & ED CELL
<b>Name of the event organized</b>	BUREAU OF ENERGY EFFICIENCY ( BEE )
<b>Title of the event</b>	NATIONAL ENERGY CONSERVATION DAY
<b>Date of the event organized</b>	20/12/2023
<b>Name of the coordinator of the event</b>	Ms. SreeKeerthana. V
<b>Participants</b>	Members of IIC, ED CELL CLUB
<b>No. of participants</b>	80
<b>Name of the expert with the designation</b>	Dr. Sathiya Priya Arumugasamy, Assistant professor, Sri Sai Ram Engineering college.
<b>Objective of the event</b>	To comprehensively elucidate the concepts of energy, energy efficiency, and methods for conserving energy, while also exploring the limitations of conventional fuels, emphasizing power-saving strategies, and promoting the adoption of environmentally friendly, green energy alternatives.
<b>Description of the event</b>	On December 20th, the IIC and Ed Cell collaborated to host an event titled "National Energy Conservation Day," organized by the Bureau of Energy Efficiency. Dr. Sathiya Priya Arumugasami, Assistant Professor, served as the keynote speaker, providing insightful discussions on energy, energy efficiency, and effective strategies for conserving energy. Additionally, Dr. Sathiya Priya elaborated on the limitations of traditional fuels, highlighted power-saving measures, and introduced the concept of green energy. The event also featured valuable insights into business startups related to the energy sector, catering specifically to the interests and aspirations of the attending students.
<b>Outcome of the event</b>	The event's impact extended beyond theoretical discussions, providing valuable perspectives on business startups within the energy sector. Specifically tailored to the interests and

	aspirations of the attending students, this facet of the event aimed to inspire and guide future endeavors in the realm of sustainable and efficient energy practices. The event successfully achieved its objective of fostering awareness, education, and motivation in the pursuit of energy conservation and sustainable practices.
