## EVENT ORGANISED REPORT – (2023-2024)

<b>Name of the Department/ Club</b>	IQAC, IIC & Expo Club - Exhibition and Fair
<b>Name of the Event Coordinator</b>	Dr. S. Nirmala Devi and Mrs.C.V.Priyadarshini
<b>Name of the Event Organized</b>	Violet Expo 2023
<b>Title of the Event</b>	Violet Expo 2023
<b>Date of the Event Organized</b>	13/10/2023
<b>Class of the Participants</b>	Various school students and college departments
<b>No. of Participants / Viewers</b>	Various Department and school students
<b>Name of the Chief Guest(s) with Designation</b>	Dr.R.Ranjith Kumar M.Sc., M.Phil., Ph.D., PDF, Assistant professor, Department of Botany Madras Christian College ( Autonomous), Tambaram East, Chennai-59. Dr. Arunkumar Krishnan ME., Phd., Assistant Professor, Department of ECE, Loyola Institute of Technology, Palanchur, Thiruvallur Dt.
<b>The Objective of the Event</b>	The primary objective of the Violet Expo was to provide a platform for school and college students to showcase their talents, projects, and innovations. The event aimed to foster creativity, collaboration, and entrepreneurship among young students, while also encouraging cross-disciplinary learning and the exchange of ideas.
<b>Description of the Event</b>	<b>Day 1: 13th October 2023</b> The event began with an inauguration ceremony and a welcome address by college representatives. The organizers emphasized the importance of such expos in promoting innovation and collaboration among students. Students from various schools and colleges presented their projects and innovations across multiple disciplines, including science, technology, arts, and commerce. Projects included scientific models, business plans, art installations, and more. A panel of judges

	<p>consisting of faculty members and industry experts evaluated the projects. Judges provided constructive feedback to participants, highlighting strengths and areas for improvement. Various workshops and seminars were conducted on topics such as entrepreneurship, innovation, and emerging trends in different fields. Resource persons included industry professionals and academic experts who shared their knowledge and experiences.</p> <p><b>Day 2: 14th October 2023</b></p> <p>The exhibition continued, allowing more participants to showcase their work and interact with attendees. Participants and visitors engaged in discussions, exchanged ideas, and explored potential collaborations. A panel discussion was held on the topic of "Innovation in Education and Industry." Panelists included educators, industry experts, and student representatives. The discussion covered topics such as the role of innovation in education, challenges faced by students and educators, and future trends. Prizes were awarded to the top projects based on the judges' evaluations. All participants received certificates of participation. The event concluded with closing remarks from the organizers, summarizing key takeaways and expressing gratitude to participants and attendees.</p>
<b>The Outcome of the Event</b>	The Violet Expo was a resounding success, providing an enriching experience for school and college students, faculty, and visitors alike. The event showcased the creativity and potential of the next generation of innovators and entrepreneurs. By fostering collaboration and learning, the expo demonstrated the college's commitment to promoting excellence and nurturing young talent.
